To whom it may concern,

This letter is to give business reference to the company Merchant Consulting Group.

We have been doing business with Jonathan Arst with our credit card processing and Gift Card programs. Merchant Consulting Group gave us a seamless transition into all services. We have not had one problem with the services they provide and are very pleased that Patriot Lobster And Seafood, LLC. made the change to a great team like Merchant Consulting Group.

Sincerely,

Sandra M. Porter

Patriot Lobster And Seafood, LLC.
